

Human rights defender's profile: Cédric Herrou from France

04.06.2019

ISHR had the chance to meet with Cédric Herrou for the Geneva premiere of movie 'Libre' where director Michel Toesca follows him in his endeavours in France's Roya Valley. During our interview, Herrou, a migrant rights defender and president of association 'Défends Ta Citoyenneté', shared his testimony, challenges, aspirations and calls to action with ISHR.
